

# RadioRA® Upgrade Program

## Home Control+ app

Control your system from anywhere via your Apple® or Android™ device.

Average savings from program:

**\$2,000<sup>†</sup>**

## Want even more comfort, energy savings, and control from your RadioRA system?

For a limited time, receive a customer loyalty discount and an extended 2-year warranty when you upgrade your RadioRA system to RadioRA 2.

## Systems upgraded to RadioRA 2 can also be expanded to include Lutron's latest system products:

- **Temperature controls**  
Save on heating and cooling costs by easily adjusting temperature automatically from keypads or your mobile device.
- **Battery-powered shades**  
Add Sivoia® QS Triathlon® shades—available in roller and honeycomb styles—for a wire-free, easy-to-install solution featuring a 3-year battery life.
- **Fan control**  
Conveniently control ceiling fans as part of your system without the hassle of pull chains.
- **Pico® wireless controls**  
Mount these battery-powered remote controls to any wall surface, place them on a pedestal for tabletop use, or use as a handheld control.
- **Radio Powr Savr™ sensors**  
Turn lights on when you enter a room and off when you leave it.

**Please contact me for more information or a quote at:**

<sup>†</sup> Savings calculated on upgrading an average system with 15 dimmers, 15 keypads, and 4 system interfaces. Actual savings will vary depending on system size.
