2300 Biehn Street, Klamath Falls, Oregon 97601
Property Management Toll Free 1-866-883-3421, ext. #
Fax Toll Free - Same 1-866-883-3421
Email: info@t-crealty.com

Date: _____

This letter is for our tenants _____ and is proof that their landlord has agreed to allow him/her to install more cable outlets in their current residence at _____ in Klamath Falls, OR.

Please read through the Installer Note Below.

NOTE to the INSTALLER: Please be aware that all cable lines installed must be as near to the baseboards as possible. I do not want to have cable lines installed into or through the floors at all - carpet, vinyl, nor hardwood floors. Nor in the middle of any room - Please also try and run lines to avoid drilling through any metal or vinyl siding or roofing on the outside of the house. I also do not want cable installed in the kitchen or bathrooms either.

No satellites can be attached to any part of the building period. You can get a tripod from Radio Shack to use inside with a satellite - they are harder to get the signal but it does work.

If you have any questions or comments, please contact Town & Country Realty at Toll Free at 1-866-883-3421, press # to leave a voice message and we will return your call.

Have a great day!
